

## Fiona Walton

### Tax Manager

### Tax

Fiona joined Edwin Coe in July of 2022 as a Manager within the Tax team.

She has over 10 years of tax advisory experience, working with high net worth individuals, their families, family offices and other structures. She has advised on a broad range of private client tax matters, both advisory and compliance, and her clients have included entrepreneurs, private equity executives and their businesses. Fiona has previously worked for both Big Four and medium sized professional service firms.

Fiona has expertise in a broad range of UK tax matters, with particular focus on advising international and non-domiciled clients on areas such as residence, domicile, income and capital gains tax planning matters.

Prior to joining the profession she studied for her LLB at the University of Edinburgh.
