

Michelle Ansah

Associate

Corporate

Michelle is an Associate in the Corporate team at Edwin Coe LLP and joined the firm in April 2019. She has experience of advising UK and international clients on a variety of corporate and commercial matters and works with private and public companies operating in the financial services, retail, natural resources, property and technology sectors.

Michelle graduated from Kings College London University with a degree in Geography. She completed her Graduate Diploma in Law and Legal Practice Course at Kaplan Law School.

Experience

- Advising a well-known hair care brand on a multi-million pound VC Series B investment round led by a consortium of VCs.
- Advising a corporate venture capital arm of a global leading company in the construction, building materials industry with regard to its participation in a follow-on funding round in relation to a Series A equity financing of a design technology and construction company.
- Acting for a leading company in the lift and escalator industry on its acquisition of a UK lift and escalator company.
- Acting for a leading online retail supplier of advanced gardening equipment in relation to a corporate refinancing.
- Acting for a family investment company in relation to its share capital reconstruction.
