

Zoe Burton

Associate

Construction

Zoe joined Edwin Coe as an Associate (New Zealand qualified) within the Construction team in May 2023.

She works in various areas of contentious and non-contentious construction matters, including issues that arise throughout the full life cycle of a construction project, drafting standard forms and bespoke construction documentation, and assisting clients in relation to a variety of construction disputes.

Experience

Zoe's experience in New Zealand includes:

- Defective building disputes, particularly in relation to cladding.
- Construction and infrastructure projects.
- Experience working with local authorities and government.
